

Project #

Status

Description

ADVANCED NG-911 READY IP ENABLED DIGITAL LOGGING RECORDING SYSTEM

Please see attached ADDENDUM #1 for the above referenced project.

The purpose of ADDENDUM #1 is to

- correct and clarify version of software requirements
- answer all technical questions
- extend the deadline to respond to 2:00 P.M., local time, November 3, 2014

All other elements remain the same.

Please remember to acknowledge this Addendum#1 on page 2 of original solicitation.

As always.....

We appreciate your interest in Clarendon County!
